MUSIC X PROGRAM

Music X Program Summary

Aim

MusicX offers an accelerated classroom music program for students in grade 7 who demonstrate excellence on their instrument of choice (including voice).

Curriculum

Bray Park SHS tailors the content and musical complexity to suit students who already know how to play an instrument and takes them well beyond the standard music content and skills taught at other high schools.

Structure

Students will engage in a variety of tasks including performing music, composing original songs and responding to music from a variety of genres and styles. Entry to the MusicX class is audition based with students required to perform a piece of music as well as complete a theory and aural entrance exam.

Outcomes

Students will gain a deep knowledge of music as well as significantly develop their instrument skills in the MusicX class.
