# **VOLLEYBALL PROGRAM**

## Volleyball Program Summary

### Aim

The Bray Park SHS Volleyball Excellence Program recognises the importance of providing students with a fulfilling and challenging education that allows young student athletes to develop their sporting talent, while building confidence, communication and leadership skills. Students with demonstrated ability in volleyball are supported through mentoring, training and education from nationally accredited and industry experienced coaches.

### Curriculum

The Volleyball Excellence Program is designed for students who are interested in developing their skills with a view to making them more competent not only as a player but as a coach, manager, trainer or official.

### Structure

The Volleyball Excellence Program combines curriculum time with training sessions also held before and after school. The Sport Excellence Program has a values based focus with a clear goal of holistically developing students who can contribute positively to society. To maintain their position in the program students must uphold a high standard in behaviour, effort and self-discipline.

### Opportunities/Competitions

Students will have the opportunity to participate as a team in the following competitions and events:

- Volleyball Queensland Metro League;
- Metropolitan Schools Cup;
- Queensland Junior Schools Cup (Gold Coast);
- Queensland Intermediate Schools Cup (Toowoomba);
- Queensland Senior Schools Cup (Gold Coast);
- Australian Schools Cup (Gold Coast);
- Junior Interschool sport;
- Queensland Beach Schools Cup (Gold Coast).
