

Year 12 VET & APPLIED Subjects Block Schedule 2021 – BRAY PARK SHS

Instructions:

- Students who study General Subjects and are attending the External GENERAL Subject Exam Block **MUST ALSO** check VET and APPLIED Subject sessions if they study any of these subjects. External GENERAL subject exams take priority over VET/Applied sessions, however students with a session clash are to arrange an alternative time with their teacher for their VET/Applied session.
- Attendance is mandatory for ALL students enrolled in the VET and/or APPLIED subjects listed on this schedule. When a student is signed off by their teacher as having satisfactorily completed course requirements (**and only then**), that student may be released from the session.
- Students are to follow all instructions on the day and complete all set work.
- ALL students are to arrive at least **15 minutes** before the scheduled block start time and are not to leave before the end of the session (unless signed off by the session teacher).
- Students who, by the end of the session still do not meet course requirements, will be required to attend additional sessions as set by their teacher.
- Students must ensure they bring the correct equipment for their blocked session and arrive on time.
