

## Bray Park State High School, RTO: 30237 Policy and Procedure

Complaints and Appeals (Standard 6)

### 1. Policy

Complaints and appeals are managed by the RTO in a fair, efficient and effective manner. The RTO will create an environment where learners' views are valued. This policy and procedure will be made public to the School community by being made available on the RTO's website, intranet and in materials provided to learners on commencement of enrolment. In the case of delivery through third parties, the material will be made available to the learners through the third party.

Bray Park State High School ensures that all formal complaints and appeals will be heard and adhere to the principles of natural justice and procedural fairness at every stage of the complaint and appeal process. Resolutions will be reached within 60 calendar days where possible. In the case of the time frame being longer than this, the RTO will communicate with the complainant/appellant why the process is taking longer and an estimated timeframe for resolution as well as being kept informed regarding ongoing progress.

Details of all formal complaints and appeals will be securely maintained in a Register of Complaints and Appeals and appropriate corrective action to eliminate or mitigate the likelihood of reoccurrence will be taken.

### 2. Scope

This policy and procedure covers:

- The RTO, its trainers, assessors or other staff;
- A third party providing services on the RTO's behalf, its trainers, assessors or other staff; and
- A learner of the RTO.

Complaints may be made regarding the conduct of the above parties, and appeals may be made for a review of decisions, including assessment decisions, made by the RTO or a third party providing services on the RTO's behalf.
